The Bowie-Crofton Camera Club invites you to... the fun way to better photography

- About you** Do you want to improve your photography?
Would you like to share your photographic skills?
Then the Bowie-Crofton Camera Club is for you.
- About us** Our members range from beginners to highly skilled photographers. Our interests are in color slides, black & white prints, color prints, and digital imaging, with many devotees in each division.
- What / When** You will find this an active club—we do things. We meet four Monday evenings each month, September through May, for competitions, lectures, demonstrations and discussions.

We conduct workshops, go on fun-filled field trips and publish an informative, award-winning newsletter.
- Competition** You will find the competition meetings, one each month, friendly and helpful.

Skilled judges constructively critique each photograph so you can learn what is good and what can be improved.
- Photo Talk** At the second meeting each month, bring your questions, suggestions and experiences for a lively, unstructured session of mutual help and information. Have some of your prints and slides constructively critiqued by members present.
- Program** At the third meeting each month, you meet a variety of expert guests, including professional photographers, instructors and advanced amateurs, with interesting, informative and entertaining programs.
- How To** At the fourth meeting each month, members and invited photographers introduce you to a broad range of photographic techniques and equipment to enhance your skills.
- Workshops** Advanced members conduct informal workshops affording you hands-on instruction or guidance in various areas such as basic knowledge, darkroom techniques, flash photography, digital darkroom, multimedia presentations, etc.
- Field Trips** Many weekends you can join informal field trips for on-the-spot photographic experiences, camaraderie and all around good fun.
- PSA Affiliation** Bowie-Crofton Camera Club has been a member of the Photographic Society of America (PSA) for more than 30 years. PSA offers you seminars, regional and international competitions, plus other services throughout the year.
